## 8<sup>th</sup> China Hangzhou · Viscose Industry Forum

### Foreword

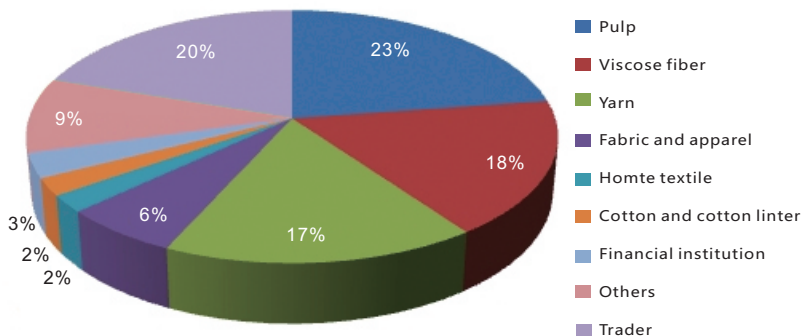

The scale of viscose industrial chain has been expanding sharply in recent years and viscose staple fiber capacity of China has exceeded 3000kt by 2014. Feedstock market has experienced tremendous changes with the grown-up of China dissolving pulp market and global capacity expansion. Meanwhile, the anti-dumping investigation has brought uncertainties. In addition, intervention and change of cotton policy pose significant impact on yarn demand. On the whole, there are more and more influencing factors from each link of the chain.

### Main topics

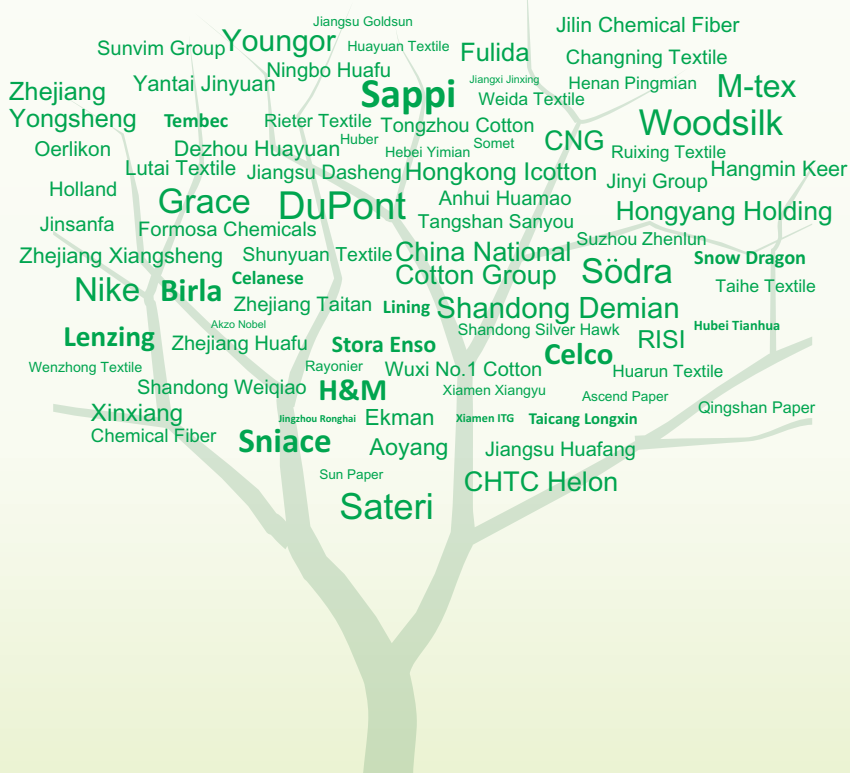

- ◎ Global dissolving pulp market status
- ◎ Impact of anti-dumping investigation against pulp
- ◎ Analysis on global pulp market competitiveness
- ◎ Operation report of specialized cellulose application field
- ◎ Global wood chip supply and price operation rule
- ◎ Opportunity and challenge of chemical fiber and textile industry under new reform trend
- ◎ How to adapt to new financial era
- ◎ What does cotton policy bring to the market?
- ◎ China viscose staple fiber market development in 2014
- ◎ Rayon yarn export and direction of overseas market development
- ◎ Highlights on viscose filament yarn market in recent years
- ◎ Analysis on rayon yarn regional competitiveness
- ◎ Structural change of China cotton textile market
- ◎ Analysis on foreign yarn market competitiveness
- ◎ Development trend and future direction of China blended yarn market

## Past conference

Participants of 2013 China Hangzhou•Viscose Industry Forum

China Hangzhou•Viscose Industry Forum has been hosted successfully for seven times and there are more than 400 participants for each forum. Capacity coverage of China-origin dissolving pulp, viscose staple fiber, viscose filament yarn and imported dissolving pulp can reach 76%, 96%, 74% and 100% respectively. Attendees include yarn mills located in Zhejiang, Jiangsu, Fujian and Shandong such as Fujian Huayuan and Jiangsu Zhenlun, grey fabric and garment producers such as Nike and Lining as well as chemical materials, equipment, logistics, financial and security companies.

### Schedule:

Registration: May 29 8:00-12:00 A.M.

Forum: May 29 P.M.-May 30 P.M.

### Venue:

New Century Grand Hotel, Xiaoshan district, Hangzhou, China ★★★★★  
(New Century Hall, 4F) (No. 818, Middle Shixin Road, Xiaoshan, Hangzhou, China)

**Conference Fee:** USD 1,380/person

### Accommodation:

Twin-bed Room: 550yuan/person/day

King-size Room: 700yuan/person/day

### Cancellation and refund:

A full refund will be available if written-form cancellation to us is done before before April 31, 2014.
